Phone: +91-9876543210

Skills

Python

SQL

Machine Learning

Deep Learning

TensorFlow

Pandas

NumPy

Matplotlib

NLP

Communication

Education

B.Tech in Computer Science, IIT Delhi, 2019

Experience

Data Scientist | ABC Tech | 2020–Present

- Built ML models using Python, TensorFlow, and Pandas.
- Developed NLP pipelines for text classification.
- Used SQL for database querying and matplotlib for visualization.

Projects

- Sentiment Analysis using NLP and Deep Learning.
- Sales Prediction Model with Python + Pandas.

Hobbies

- Reading books
- Travelling
